THANK YOU

Thank you to the Sunday School class that filled my box with encouraging notes after my encounter with the deer last Sunday. So many expressed their concern—it was a great reminder of how our church can rally around each other and a simple word of encouragement goes so far. I feel truly blessed to be part of Garden. ~Jenny Goering

Once again, we have been humbled by the many expressions of generosity, love and prayers by family and friends. We felt a peace that passes understanding as you all supported and encouraged us through this difficult time. We saw God's hand in many many situations. Trials have a way of showing our weaknesses and making us more dependent on Him. He gave us strength when we thought we couldn't make it. He gave us peace when we were in the greatest of turmoils. He showed us mercy and grace over and over. He gave us people who stood by us; Family, Friends, nurses and doctors who were believers, just when we needed them. So many answers to the many prayers of many people. Perry continues to improve. His bowel is waking up and he has no pain. Of course, his kidneys still need to wake up and function and we will continue to pray for those to heal. He is faithful no matter what the outcome and we thank Him for salvation, grace, mercy, peace and love. We appreciate and love you all. ~ Perry & Cyndi Koehn
