## Prayer Requests

### Missionary of the Week:

Joe & Denise Goossen  
Ukraine

jgoossen@swissmail.org

- ◆ Digibooks Press has actually been quite busy lately for which we praise the Lord. There have been some small glitches with machines but overall it’s going well.
- ◆ Pray for a favorable response to the grant proposal that we submitted for buying a press. That foundation’s board meeting is usually in April or May.
- ◆ Work on remodeling the pressroom is going well, but a few months of work remain.
- ◆ In our last prayer letter we mentioned that Ukrainian Christian Publisher’s Association bought a bus that they plan to convert into a bookmobile. We are praying for someone that has welding and metal structural experience that could come and help for a few weeks in Spring.
- ◆ Please pray for our continued good health.

- Joyce Dalke
- Molly Goossen

## Announcements

### SPECIAL BUSINESS MEETING

There will be a Special Business Meeting following the worship service TODAY. Agenda items include:

- Christian Ed Committee Chairman election
- Continued Support of David & Tayna McCloud

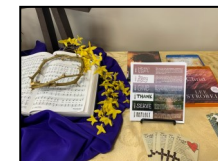

The full agenda is posted on the bulletin board in the library.

### SUNDAY SCHOOL

Today Peter & Rachel Hansen will be with us during the Sunday School hour. All classes Jr. High and up will meet in the sanctuary where they will give a mission report. There is a box in the foyer for a love offering for the Hansens.

### LIBRARY NEWS

The table in the Adult Library is filled with various equipping tools to help you navigate a reflective journey towards the celebration of Easter. If you are wanting a week by week focus coupled with an activity, you will want to pick up the prompt card that will provide you with an invitation to practice your faith. A small Easter Devotional is also on the table. It features a simple thought along with a single verse for each day, providing a simple way to keep your mind and heart on the importance of Easter.

Parents, you will find some of our Easter books, highlighting the true Easter Story as well as child friendly books on the steps of Salvation on the table in the Adult Library. Watch each Sunday for a highlighted tool. May these prompts enable each of us to reflect along with Jesus, His journey to the Cross.
