- ◆ I praise God that I am able to help many radio operators with the technical problems from home. Since they are overseas there is little change.
- ◆ I praise God for good internet at home. We connected a new provider a year ago and it is nice. Video calls to look at equipment overseas work very well. Zoom is common overseas as well.
- ◆ I praise God for the training I received for the new French made transmitters that we provide for our partners. I need that often.

### THANK YOU:

Dear Friends at GCC,  
We have completed our 14-day quarantine and thankfully, we remain healthy. Thank you to all of you for praying for our trip to the U.S. And our time of self-isolation. Thank you to those that provided a comfortable place to stay, food to eat and even some social distanced visits. Your care was wonderful! Now we are at home in Hesston and Joe is able to keep working long-distance by internet and phone. Thank you!!  
~Joe & Denise Goossen
