THANK YOU:

A few weeks ago, I went on a mission trip to Mexico and was supported by you as a church through a mission's scholarship. I went with a small team down to Reynosa, Mexico, where we stayed at a children's home and helped with a VBS that was being held there that week. I had an amazing time down there, playing and being around kids that have been taken from difficult situations to live in a safe place and are now able to learn about the love of Christ. I wanted to thank the church as a whole for being so involved in missions and giving so that people can go and help others that may not know about God's love for them.
