◆ Pray for a trip to Across Nations in September.

- * We need safety while driving.
- * We need to figure out what vehicles to use for taking radio signal measurements for KTBA.
- * It looks like we can increase power and reach farther if we present measurements to the government.
- * There is work to be done at the new studio.
- * There is electricity now and maybe water by the time we get there.

ADULT LIBRARY NEWS

The winner of our **READER APPRECIATION** drawing was **Sharon Smith!** Thanks to all of you who were engaged in reading over the past two months. New readers entered the library for a "first visit" and many books have been checked out! Learning life lessons through the various Biographies haven't been enlightening. Our focus for the month will be looking at a variety of **Christian Fiction**—different authors and genres. Reading Christian Fiction *can* be a spiritual transformational experience if we *look* for the spiritual truth embedded within the text. How is the Gospel message presented? What is the main topic and why is it important? What was the author's intention in the writing of the book? **The new challenge is to read for enjoyment but to also look for the purpose.** Prompt cards on the feature table will be available to help you read with intentionality.

WOMEN'S BOOK CLUB

The Women's Book Club invites you to read a long with us as we read *7 Women: And the Secret of their Greatness* by Eric Metaxas. We will be meeting at Kim Kohls' house on Tuesday, August 23, 2022 at 7:00 p.m. to discuss this book. Limited number of books available by contacting Jenny Goering at 620-504-2033.
