### THANK YOU

A great big thank you to everybody who helped in any way for Science Day! From preparation to clean-up, and everything in between, we appreciate the help of over 30 volunteers from Garden, as well as those from Emmanuel. We ended up with around 100 kids present and two of them accepting Jesus as their Savior! The day was resplendent with the message that God created our world and everything in it with intelligent design, that what we see in creation follows the Biblical timeline, and that we can trust that everything in the Bible is true! It was an amazing day and it's a privilege for us all to be busy about the Lord's work.
